

Lititz Historical Foundation GROUP TOUR INFORMATION

In 1756 the Moravian's established a closed Congregational Settlement in Lititz Pennsylvania. In 1961, a dedicated group of Lititz citizens combined their efforts to preserve the rich history of the area with the purchase of the 1792 Johannes Mueller House and later the 1793 Christian Schropp House establishing the Lititz Historical Foundation.

The Lititz Museum, housed in the Schropp home, provides the visitor a history of the evolution of Lititz through room after room of exhibits and artifacts. Our gift shop offers items of historic nature, many of which are hand-made in the area or within Pennsylvania.
